God's Creation
Coloring & Activities
Explore the wonders of
God's beautiful world!
Ages 2–6
By Uncle Sam

Welcome to God's Creation Activities!

God made a wonderful world filled with plants, animals, water, and sky. Explore, color, and enjoy the activities in this book!

This book belongs to:

_____

For grown-ups:

A blank page follows each colouring page to help protect the picture when printed double-sided.

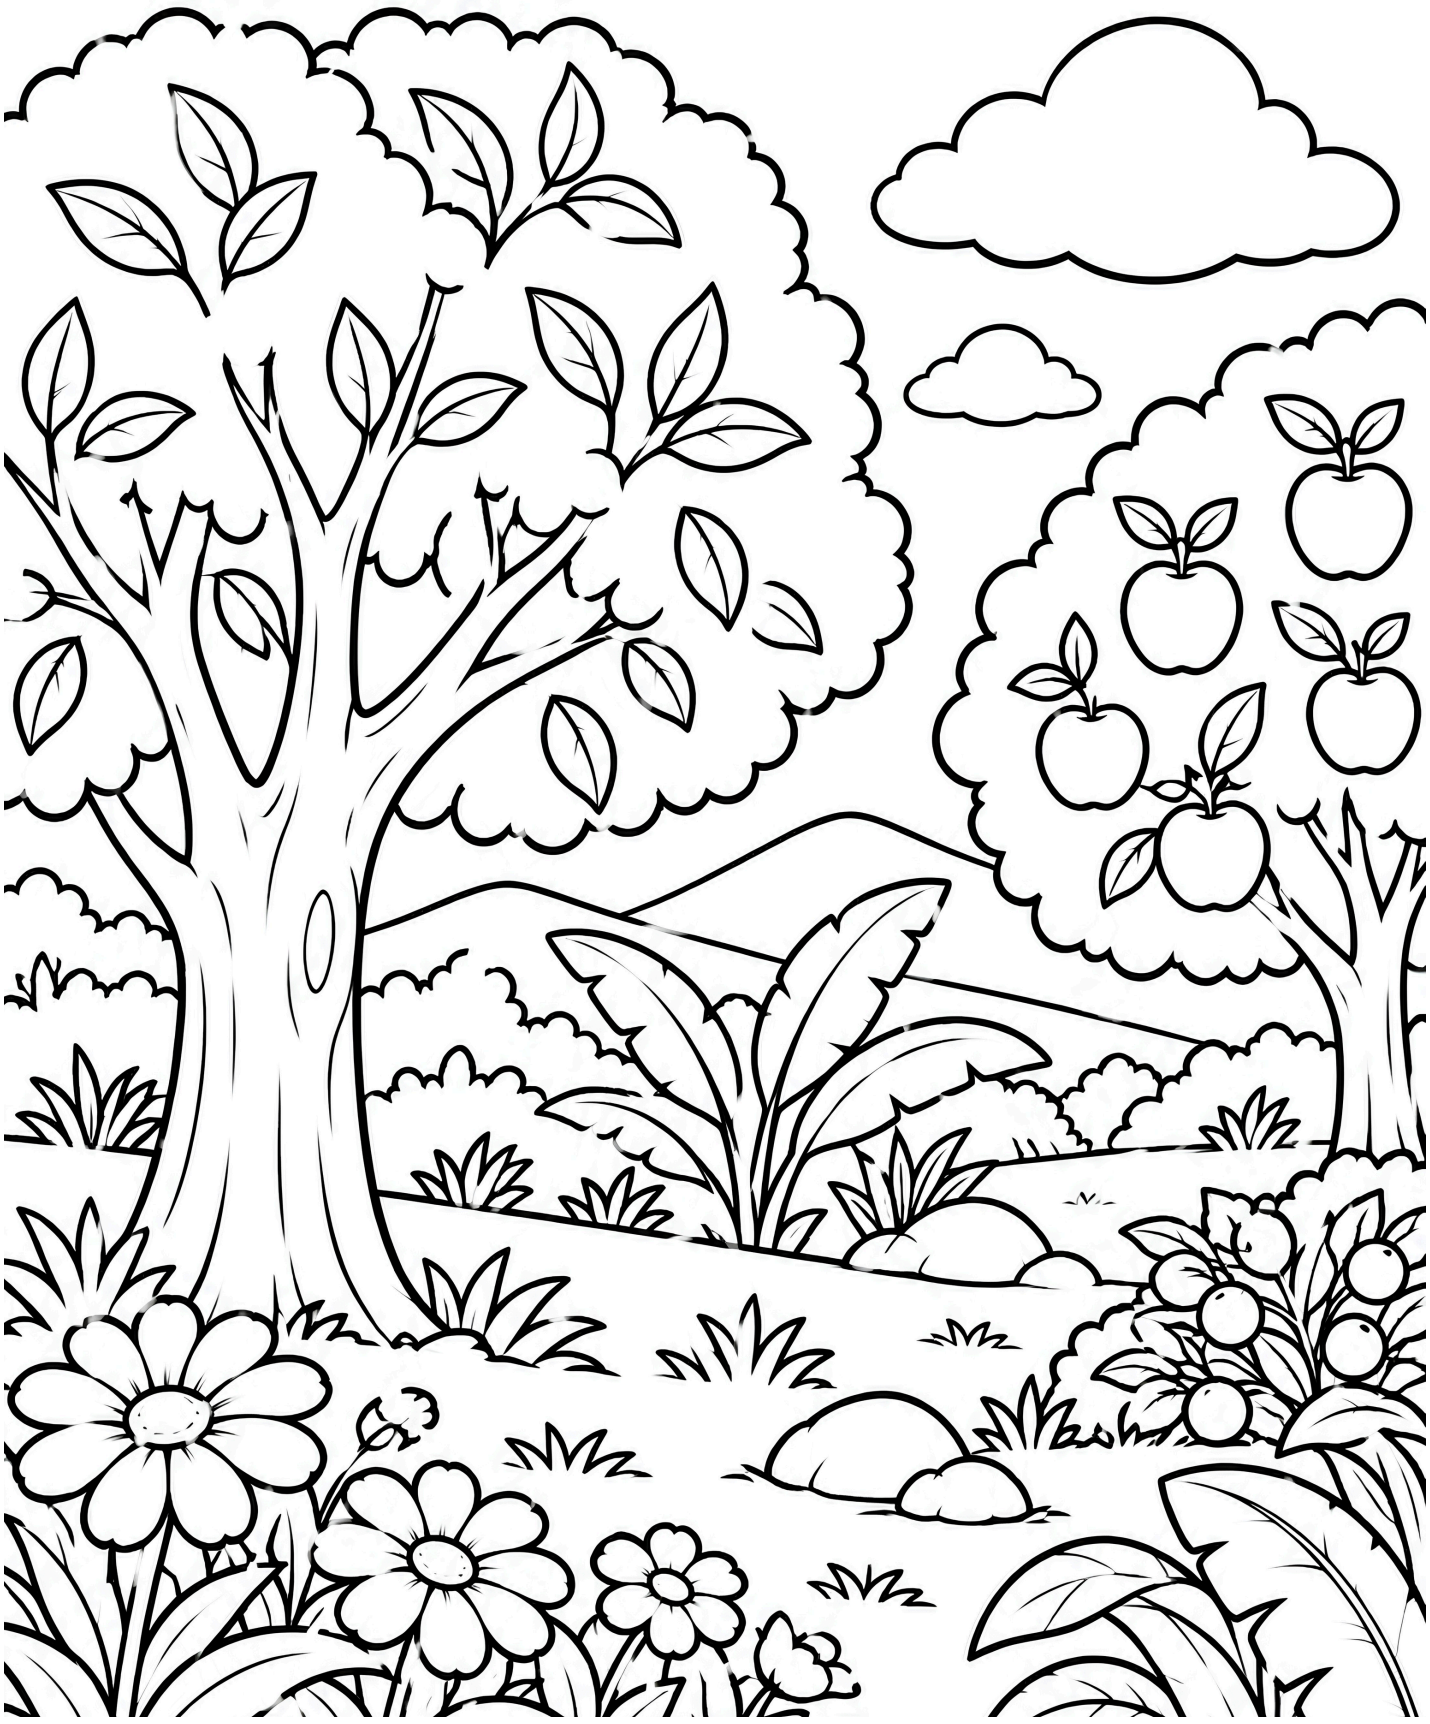
Beautiful World — sun, clouds, mountains, river, trees and flowers

Trees and Plants — trees, fruit trees, grass, flowers and plants

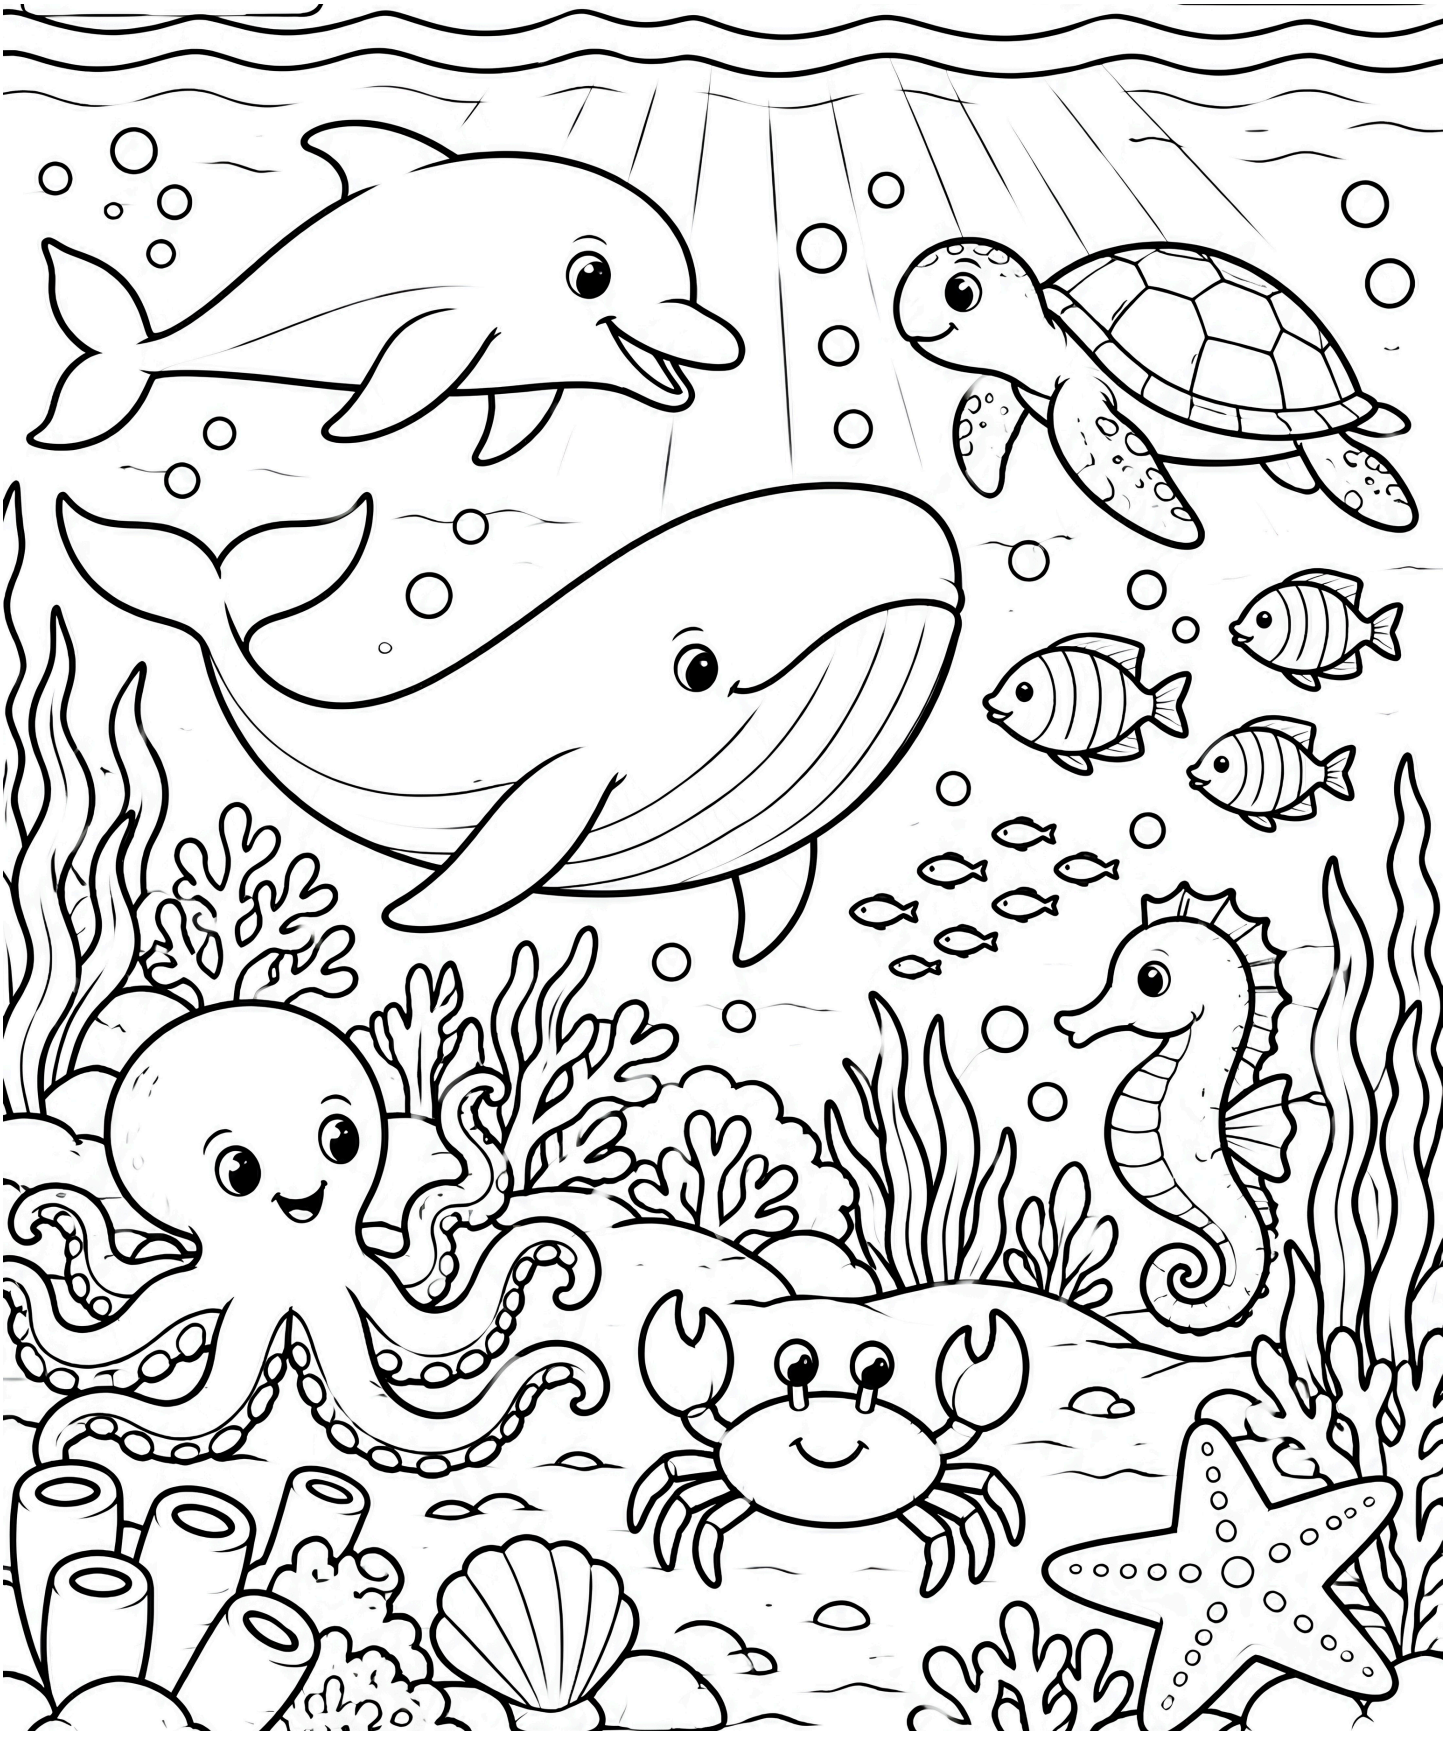


Sun, Moon and Stars — sun, moon, stars and clouds

Small Creatures — butterflies, bees, ladybugs, snails, caterpillars and dragonflies

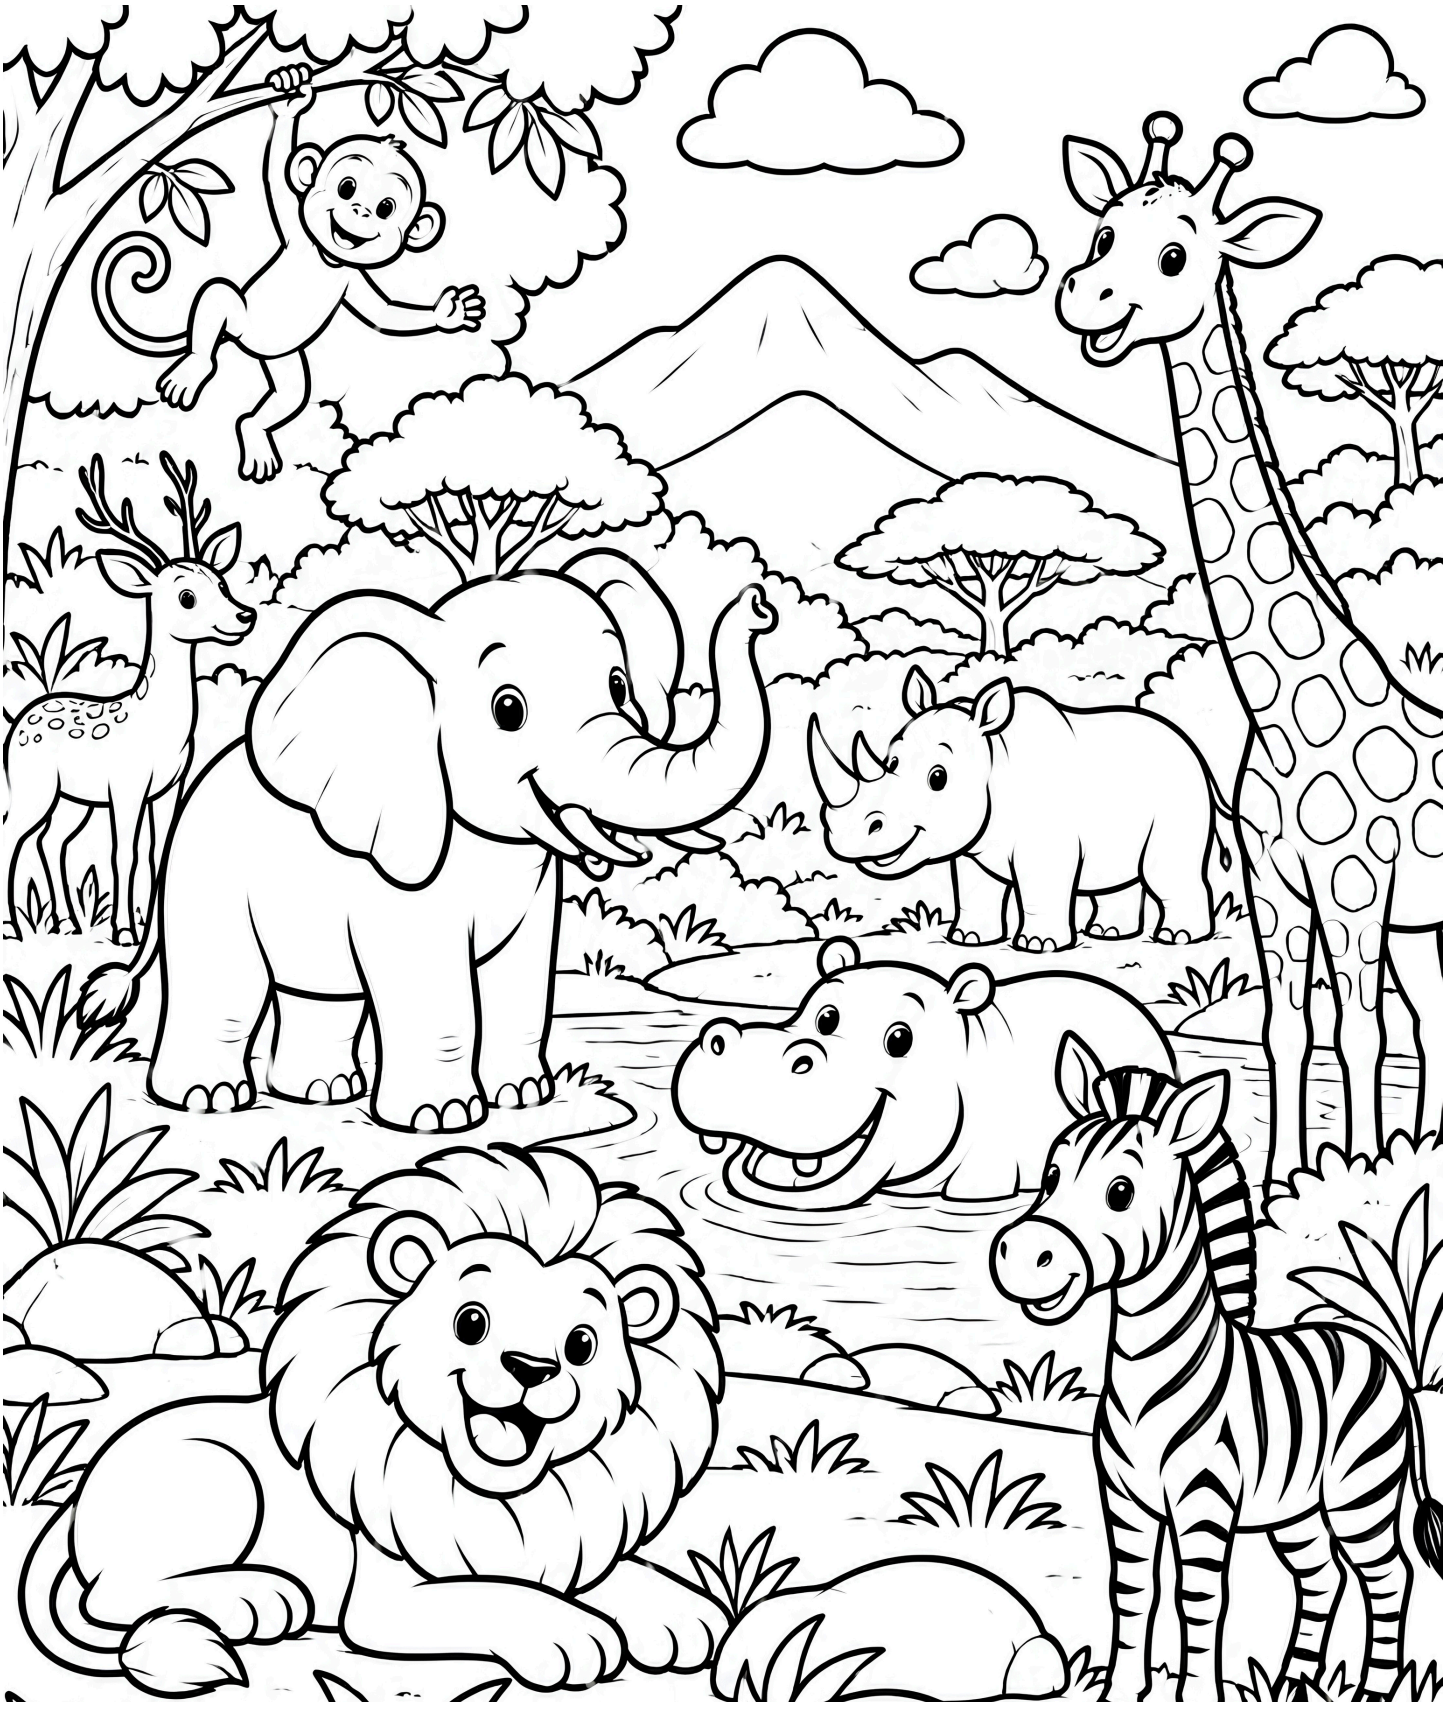
Sky and Waters — clouds, sky, lake, river and ocean

Sea Creatures — fish, dolphin, turtle, seahorse, starfish and other sea life



People and Nature — children peacefully enjoying animals, plants and the natural world

Land Animals — elephant, giraffe, zebra, lion, rabbit and other animals



Birds of the Sky — different birds flying, nesting and perching

All Creation Together — a beautiful complete scene combining land, water, plants, animals, birds, sea life, sun and sky

Thank you for exploring God's creation with me!

Keep looking, learning, and caring for the beautiful world around you.
